CRIME STATISTICS REPORT

THE UNIVERSITY OF UTAH

## STUDENT HOUSING CRIME STATISTICS

The University of Utah provides single, group and family housing for undergraduate and graduate students enrolled at the university. Housing and Residential Education (HRE) manages facilities in the Fort Douglas Officer's Circle area, traditional on-campus housing facilities, and the Block 44 and downtown commons buildings in downtown Salt Lake City (the lease for the Block 44 off-campus site ends in May 2022). University Student Apartments (USA) manages graduate and family student housing in the Medical Plaza, and USA's East and West Villages.

Ensuring the safety of student residents is among university leaders' highest priorities. Any reports of crime in housing facilities are addressed and resolved as quickly as possible, with a victim-centric and trauma-informed approach. To report a crime, please call University of Utah Police at 801-585-2677 or go to [safeu.utah.edu](https://safeu.utah.edu).

Consistent with Utah Code section 53B-28-403, the statistics in this report include only incidents reported to University Police and other law enforcement agencies during the 2020 calendar year.<sup>1</sup> In the process of reviewing these reports, the Salt Lake City Police Department provided additional updated crime statistics for the 2020 calendar year which had not been reported at the time the University's Campus Safety Plan was issued in October. The university's annual Campus Safety Plan will be updated accordingly. Finally, as required by state statute, the statistics included in this report reflect any crimes reported to law enforcement that have occurred in any on-campus student housing facility, any institution-operated off-campus housing facility, as well as any student organization-owned, non-campus housing facility (e.g. fraternity and sorority houses) adjacent to campus.<sup>2</sup>

---

1 Consistent with the requirements of Utah Code section 53B-28-403, crimes reported to have occurred on campus housing facilities not used for housing students (i.e. for housing only faculty and/or staff) are excluded from this report.

2 The statistics in the University's Annual Security and Fire Safety Report (ASR) are inclusive of reports made to all Campus Security Authorities (CSAs), not just law enforcement, and will, therefore, differ from the numbers provided in this report.
